BRIERLEY SUMMER SPECIAL

Formal learners have had a brilliant couple of weeks. At the summer fair they helped out on stalls and put their maths skills to good use. Bestival brought a carousel of creative activities, and learners particularly loved the rap poetry sessions. Seeing everyone throw themselves into the big whole-school art projects was a real highlight.

A massive thank you to all our families for your support over the past two (very busy!) weeks.

BRIERLEY SUMMER SPECIAL

Informal learners have been busy - dance sessions with Northern Dance are continuing, and there's been plenty of messy play, spray bottle art and shape work alongside. Visits to Brierley Farm to meet the new ducklings have gone down a treat too. Learners have also been working on some important life skills, with teeth brushing practice featuring alongside all the fun.

A massive thank you to all our families for your support over the past two (very busy!) weeks.

BRIERLEY SUMMER SPECIAL

Foundation learners have had a wonderful couple of weeks. The sweet stall at the summer fair was a big hit, and Bestival brought plenty more to enjoy - drumming, circus skills and a whole host of creative activities that gave everyone the chance to explore, make and express themselves. A whole week dedicated to the arts was something really special for our Foundation learners.

A massive thank you to all our families for your support over the past two (very busy!) weeks.
