Brierley

Co-op Academy Brierley Open Evening event

January 31st 4.00-6.00pm

Co-op Academy Brierley is a brand new special school in Leeds for children aged 4-16. We are very excited to be opening our new school site on Cross Green Lane in September 2024 and we would like to share the plans with everyone.

This open evening event is an opportunity to see visuals of our new school building, meet staff and ask any questions you may have about our school.

The event will be held at our temporary site at Co-op Academy Nightingale, Stanley road, LS9 7AX .When you arrive on site we will have the gate open at the front of Brierley so that you can gain access straight into school via our playground.

If you are unable to attend this event there will be another opportunity later in the year.

We look forward to seeing you!

Sarah Harridge

Headteacher
